

Workshop Program — May 9th 2008

Workshop Chairs

M. Maknavigius
H. Chaouchi
Telecom& Management
SudParis, France

Technical Program Chair

O. Heen, Thomson R&D,
France

Technical Program Committee

K. Al Agha, LRI, France
N. Alonistioti, Univ. of Pireus,
Greece
J. Araujo, Alcatel-Lucent,
France
J.W. Atwood, Concordia
University, Canada
F. Bader, CTTC, Spain
A.-L. Beylot, ENSEEIHT,
France
A. Bouabdallah, UTC, France
H. Chaouchi, France
I. Chrisment, Nancy University,
France
V. Friderikos, Centre for
Telecommunication Research
of London, UK
I. Ganchev, University of
Limerick, Ireland
M. Gerlach, Fokus, Germany
W. Haddad, Ericsson, Sweden
A. Hecker, ENST, France
O. Heen, Thomson R&D, France
J. Leneutre, ENST, France
M. Maknavigius, France
K. Masmoudi, Cyber Networks,
France
A. Mellouk, University Paris 12,
France
M. Minier, INSA-Lyon, France
H. Moustafa, France Telecom,
France
P. Muhlethaler, INRIA,
France
J.M. Nogueira, UFMG,
Brazil
M. O'Droma, University of
Limerick, Ireland
O. Rojas, Instituto Tecnológico
de Jiquilpan, Mexico
P. Schoo, DoCoMo Euro-Labs,
Germany
A. Serhrouchni, ENST, France

9am to 10:30am

Session 1 : Security in self-organized networks

- Toward a New ad hoc node design for secure service
deployment over ad hoc network

H. Chaouchi and M. Maknavigius

- TCA: Topology Change Attack in Peer-to-Peer Networks

M. Abdelouahab, Hani Ragab Hassen, A. Bouabdallah, M.
Achemlal, and S. Lanipece

- Device Pairing using Unidirectional Physical Channels

N. Saxena and Md. B. Uddin

11am to 12am

Session 2 : An Industrial and Academic Joint Experiment on Automated Verification of a Security Protocol

O. Heen, T. Genet, S. Geller and N. Prigent

1:30pm to 3:30pm

Keynote speech: Mesh networks

C.E. Perkins

4pm to 5pm

Session 3 : Security in wireless networks

- A Solution for Defending against Denial of Service Attack
on Wireless LAN

N.D Thuc, N.H.M Duc and T.N Bao

- A performance based approach to selecting secure service
discovery architecture

S. Trabelsi, G. Urvoy Keller and Y. Roudier

Keynote by Charles E. Perkins,

MWNS 2008

Co-located with Networking 2008
May 5-9, 2008, Singapore
